END USE/USER STATEMENT

To Whom It May Concern:

Compliance with United States Export Regulations:

Turbine Engine Consultants, Inc. (TECI) has adopted an Export Compliance Management Program or EMCP. As such, TECI will comply with all United States export control laws and regulations. Consistent with U.S. export control laws and regulations:

1. TECI will not export or re-export any U.S. export controlled products to any debarred country unless otherwise authorized by the United States Department of Commerce or Department of State.
2. TECI acknowledges that U.S. law prohibits the sale, transfer, export or re-export or other participation in any export transaction involving U.S. export controlled products with individuals or companies listed in the U.S. Commerce Department's Table of Denied Orders, the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of State's list of individuals debarred from receiving Munitions List items.
3. TECI abides by all applicable U.S. export control law and regulations for any products subject thereto and will obtain any licenses or prior approvals required by the U.S. government prior to export or re-export of U.S. export controlled products.
4. The export control requirements stated hereinabove shall survive the completion, early termination, cancellation or expiration of the applicable purchase order, agreement or contract.

TECI recognizes that it is solely responsible for obtaining and complying with the latest information of denied parties and current shipping embargos.
