Approved Sub-Contractor: (To be completed by companies applying for sub-contract repair work)

TECI is a quality supplier of turbine engines, turbine engine parts, light airframe and accessories. We currently work with the Honeywell TPE331/TFE731, Honeywell GTCP 36 & 85 series APU's, Hamilton Sundstrand 500 series APU's, Jetstream 31/32/41, EMB120, DHC-8, ATR-47 airframes and avionics. Your repair facility is a company we have used in the past or would like to use in the future for repair or overhaul on applicable engines, engine parts, airframe or avionics. In order to comply with our quality standards we require the following information about your facility to be on file:

1. Copy of all Air Agency Approval Certificates. (FAA/EASA/Transport Canada/etc)
2. Copy of Drug and/or Alcohol Program used by your facility. (If Applicable)
3. Copies of any repair authorizations outside of manufacturers published work scopes. (If applicable)
(Example: 8110-3, S.F.A.R.-36, DER, etc)

Upon completion of this form, please forward the form and all applicable documents to:
